

WONDERS OF IMMUNOLOGY STUDENT ART COMPETITION

Your immune system is amazing! Immune cells vanquish viruses, bacteria, tumors, and do so much more! Join La Jolla Institute for Immunology in celebrating the wonders of the immune system by entering our annual student art competition!

DETAILS:

- Open to all San Diego County students, ages 10-18
- Any art medium welcome: digital art, painting, sculpture, etc.
- Art pieces should depict an aspect of health or medical research that is connected to the immune system
- Entry forms and art pieces are due by 11:59 PM on April 4, 2024

PRIZES:

- First prize in each category will receive a National Geographic microscope, plaque, and be featured in our Institute Magazine
- VISIT [LJI.ORG/ART-COMPETITION](https://lji.org/art-competition) for additional prize details
